

COURT SUMMONS

Claimant No To The Bike Parking Tax
Defendant Westminster City Council

WCC YOU IN COURT.

DONATE TO THE LEGAL FUND LET JUSTICE BE DONE!
We highlighted the inconsistencies. We pointed out the irrelevancies. We tried to be reasonable. And we explained the benefits of making motorcycle parking free again. Thousands of you have officially objected. Twice! No one asked for this scheme and those it affects most don't want it. So, on the last Sunday before it's made permanent, we're serving a Court Summons on them. Because of their hard-line, dogmatic approach they may have made a very expensive mistake: they have put their entire council-wide parking strategy at risk!! Come on the ride-out to Westminster's HQ in Victoria Street on Sunday 16th August to sign a Court Summons.
